ABOUT THE GALA

We invite you to join us for our fourth annual Black, Silver & Blue Gala, an evening rooted in hope and made possible by community. This signature celebration brings together veterans, supporters, and partners who believe hope is something we build together through presence, action, and care.

The evening will feature a hosted cocktail hour, silent auction, dinner, and meaningful stories shared by veterans whose lives reflect hope in motion.

At ETS, hope looks like stability in a moment of crisis, renewed purpose through transformational programs, and belonging through connection. Your partnership plays an invaluable role in strengthening communities and changing the trajectory of a veteran's life. As veterans continue to face complex challenges, we remain committed to meeting them where they are and walking alongside them. We hope you feel inspired to join us.

SERVICES

FUNDED BY GALA PROCEEDS

SUPPORT

Veterans may visit our free supply store once a month to pick up clothing, hygiene items, blankets, and more.

The ETS shuttle stops at the Community Resource & Referral Center (CRRC) monthly to pick up veterans who would like to use the supply store.

CONNECT

The Veterans Resource & Empowerment Center (VREC) is a place for veterans to gather and build community.

The Pop Smoke network of partners provides a simple, digital pathway for veterans and their families to access the support they are seeking.

EMPOWER

Warrior's Return is a 5-week program designed to empower veterans and their families as they pursue a future tailored to their individual experiences, skill sets, and dreams.

The coffee bar was created in memory of MSgt Rick Gustafson and is a space where the community can gather, connect, and directly impact ETS through their coffee purchases. Rick's is also the site for our veteran internship.
